

Sponsor a Room at the Kick4Life Hotel!

The Kick4Life Hotel & Conference Centre is now up and running at the Kick4Life Centre – a vibrant hub of social and economic development in the heart of Maseru, Lesotho’s capital city. The hotel is part of our social enterprise model with 100% of profits pumped back into our charitable programs, as well as providing opportunities for young people to gain training and employment.

We are now offering companies and individuals the opportunity to sponsor one of the bedrooms in the K4L Hotel and name it after a chosen football player, either from Lesotho or internationally. The 12 beautifully furnished twin and double en-suite bedrooms offer a high standard of accommodation, and alongside the conference centre and the stunning No.7 restaurant we expect to attract a high volume of customers for both business and tourism.

As part of the package your room will have a plaque on the door stating the name of the room and who it was sponsored by. We will also frame a piece of football memorabilia relating to your chosen player outside the room, in our **Corridor of Football History**. We will also issue a media release announcing your support, as well as informing the player!
